

Heroes Wanted
(for Anawim House)

We need your support!

Help make our neighbourhoods strong through a HeroWork Radical Renovation. Collectively, we have the power to transform our community.

Lend your strength to our program and create a legacy of renewed charity infrastructure.

Volunteer, sponsor, or fundraise for HeroWork's 2017 fall project—Anawim Companion Society, a place that has served Victoria's street community for 25 years. Homelessness and poverty are foundational challenges in our city. By renewing Anawim's building you will be helping to expand services and increase the efficiency of this important charity.

Anawim House is in need of a *massive* renovation!

Anawim House Project Sept/Oct 2017

Anawim House is a refuge, a home, a meeting ground, and a source of hope for many of Victoria's street community.

Anawim helps those who want to be helped. They are a clean house (free from drugs and alcohol) that provides for those basic needs to which every is entitled. Above all, they provide a safe home for people to feel connected and included.

Anawim encourages personal growth, professional help, education or returning to the work force. Anawim shows people how to live in a loving, caring, spiritual environment.

They offer an outreach day program where those in need of companionship and sharing can drop by 6 days a week. They also provide a well-rounded residential program through which residents are encouraged to seek to change their self-defeating behaviors, achieve 30 days of sobriety, and treat others with kindness and respect.

The Problem

Charity buildings are diminished.

Neighbourhood halls, homeless shelters, soup kitchens, youth housing—the places that make our community strong are often run-down and in need of repair.

The Solution

HeroWork mobilizes the construction industry and all of community to renovate charities in a way that saves them 75-80% of the value of the renovation. We do this through spectacular community-style events, called Radical Renovations.

Imagine a modern-day barn-raising where dozens of companies and hundreds of volunteers come together with exceptional cooperation and common vision.

Renovation Outcomes

Increased Health & Safety—Anawim House needs a proper nurses room for check ups, haircuts, blood tests, foot care, and more.

More Counselling—They work with the vulnerable on a one-to-one basis, ensuring privacy and respect. They need better designed and more counselling spaces to do this effectively.

Bike Transportation—To get a job a person must be able to get to the job. Anawim House is starting a bike program that will give good bikes to the poor and teach them how to repair them. But first they need a bike repair shop.

Deeper Sense of Belonging—A person in extreme poverty needs a sense of home, a place they can be proud of. This means a well-maintained and aesthetic building. They need the building painted, a new deck, landscaping and more.

Get involved

Go to herowork.com or email heroes@herowork.com

Event dates: Sept 23-24, Sept 30-Oct1, Oct 7-8

Location: 973 Caledonia Ave., Victoria, BC

Be a hero all year round

Solving our infrastructure challenge requires long term thinking and big vision. Not only is HeroWork committed to continuing Radical Renovations in the greater Victoria area, but we are also developing a charitable franchise model to empower teams to do the same in other towns and cities. Together we can rebuild our communities one charity at a time.

Become a sponsor, or a donor. Put on a fundraiser. Help build our program.
