Dear \_\_\_\_\_,

I'm contacting you because on Saturday, June 13th and Sunday the 14th, 2015, I will be joining approx. 100 cyclists in the 8TH Annual Boomer's Ride. I am training hard and very proud to be cycling in this ride.

The goals of this event are to raise funds for Boomer's Legacy Foundation; and to build awareness about our soldier's efforts for those in need and the important humanitarian projects they initiate.

To date over \$1, 000,000 has been raised, and through the efforts of our Canadian soldiers have purchased from shoes for orphans and science books for schools; replaced a farmer's herd of sheep bombed by the Taliban so he can once again support his family; provided medical supplies to villages and treated many children whose medical conditions would otherwise have been fatal, it has funded a midwife training program, supported sports programs for youth and saved lives through essential surgeries.

Support is ongoing where our military are deployed, whether that is in Canada or abroad. Through Boomer's Legacy our soldiers are making an extra difference.

I'm honored to ride in this fundraising effort. I also have a personal stake in this particular event. I am riding for a fallen soldier who was killed, who was willing to put his/her life at risk. Now it's my turn to help, this is something that I can do.

We will be riding from Comox to Victoria, 240 kms., and my goal is to raise at least \$1000 to help fund Boomer's Legacy projects. I would like to ask you to partner with me by taking a moment and making a donation to help me meet my goal. As you make your decision, please keep in mind the impact you will have on many people's lives.

You can choose to donate online via [www.boomerslegacy.ca](http://www.boomerslegacy.ca), or by mail or you can contact me personally and I'll collect your donation. My deadline to get my pledges in is June 12th, 2015.

Thank you in advance for your support.

Sincerely,

(cyclist
